

NEW creative experiential supervision group

For therapists, supervisors and allied professions

Currently recruiting to start in September 2026

Using creative, gestalt & psychodrama approaches to:

- Gain new insights into specific client enquiries
- Explore themes related to your personhood
- Experiment in a contained, dynamic space
- Experience developing a new group

*You must be actively seeing clients
& bring your cases for the group to explore*

**Groups run for 3.5 hours every 8-10 weeks
in person in east London, UK**

Co-facilitated by Jemma Crowe & Lucy Christopher
(UKCP reg Gestalt psychotherapists & supervisors)
